F15/1270 2014-15 BUDGET MONITORING

The Clerk went through the receipts and payments against each budget heading up to 25 March 2015. The accounts also show an accurate projection to year end with an anticipated overspend of £40,530. The Clerk said that Parish Council are continuing to use the Co-op Bank underspent to support the Parish Council budget. This cannot continue unless the National Savings reserves is used. It is good practice to keep 6 months spend in reserve, which is the balance held in the National Savings account.

The Clerk said that the Parish Council are meeting with The Arts Centre to discuss the possibility of them sub-letting Ketley Youth Centre as a minimal charge (outlined below). This would secure the building from development and also the car-park for people to use Paddock Mound. This would impact Ketley Youth Club who would have to move to Ketley Community Centre. The Clerk said that any future cut to the Precept would mean that the lease for Ketley Youth Centre would have to be terminated.

2014-15 running costs for Ketley Youth Centre:

-rent	£1,200 py
-rates	£2,832 py
-water	£1,060 py
-electricity	£ 340 py
-gas	£1,911 py
	£7,642 py

The Clerk said that this charge would increase each year depending on spend for the previous year. Cllr Elliott said that the Parish Council should not subside the Arts Centre and the Youth Club were the Parish Council's top priority, although recognised that the Parish Council needs to secure the future of the building for their plans for the Paddock Mound. Cllr Saini said that the building would be used regularly if the Arts Centre signed a sublease.
